Good times are worth more than money any day  
That's what I always say  
Good friends are worth more than money in the bank  
That's what I always say  
That's what I always say  
Got a letter, made me lose heart  
Gonna have to make a new start  
I know whatever happens now  
Don't worry, friends'll chip in  
What's owed will be forgiven  
I know whatever happens now  
Worry about tomorrow  
Ain't gonna change a thing Today

You are to me  
Last Friday night down at the road house  
Booth in the back, they sat alone  
Holding hands like two young lovers  
Her hair was grey, his hair was gone

She said to him  
"I'm getting older  
A pretty girl, no more to be  
Heaven knows  
I'm not a treasure"  
He softly said "You are to me"

"You are to me a girl in spring time  
The one I met so long ago  
A moment captured for a lifetime  
That's what I see you are to me"

He said to her "My work is done now  
And all that's left are memories  
Heaven knows, I'm not important"  
She softly said "You are to me"

"You are to me a boy in spring time  
The one I met so long ago  
A moment captured for a lifetime  
That's what I see you are to me  
Last Friday night down at the road house
