Precious Lord take my hand
Lead me on let me stand
For I am tired I am weak I am worn
Through the storms through the night
Lead me on to the light
Precious Lord take my hand and lead me home
Well I remember when I was a lad
Times were hard and things wee bad
There's a silver lining behind every cloud
Just poor people that's all we were
Trying to make a living out of outback dirt
We all get together in a circle and sing out
loud Daddy sand bass Mama sand tenor
Me and little brother would join right in there
Singing seem to help a trouble soul
One o these days it won't be long
We'll all join in this song
We'll all get together up yonder 'round the throne
No the circle won't be broken
Bye and Bye Lord Bye and Bye
Daddy sang bass Mama sang tenor
Me and little brother would join right in there
In the sky Lord in the sky
