You're a beautiful distraction
Like we first met
remember then
First kiss,
remember that one
I do, I do, I do

Touching your leg
under the table
Trying not to get caught
hard to say but
I think they suspected
something was going on
So I whispered, come on
come on, come on

Kiss me, If you're gonna
look at me like that
Cause I got this feeling

Resisting ain't getting us
no-where fast
This thing, is turning into
something else
If you kiss me
I'll kiss you back

Still do it like we used to do
Waste my whole life
Looking at you
Bet I can, and I'll bet I do
I do, I do
I gotta go but you're leaning in
You give me one of those
Cheeky grins
You know the one
I say come on, come on, come on
