got any thoughts trav?  
look out!  
do we really have to do this?  
uh huh  
okay

she finds out he's been cheatin so she starts cheatin  
back  
and they dance around the rumors and they fiddle with  
the facts  
you can have your cake and eat it if you don't get  
caught  
but if you do it's always someone elses fault

lie lie lie  
everybody else is doin it  
lie lie lie  
nothin really happened i'm sure of it  
cheat on your husband  
cheat on your wife  
smile at your brother while you pull out the knife  
look em all straight in the eye  
lie lie lie lie lie

they say they'll never raise your taxes, we know that  
aint true  
so we rearrange the numbers till the 5 becomes a 2  
you can hide the devils money in your pocket or your  
purse  
but keep your secrets hidden from the cradle to the  
hurse

lie lie lie  
everybody else is doin it  
lie lie lie  
nothin really happened i'm sure of it  
cheat on your husband  
cheat on your wife  
smile at your brother while you pull out the knife  
look em all straight in the eye  
lie lie lie lie lie

left hand never knows where the right one goes  
like pinochios nose  
or the emperors robe (?)

lie lie lie  
everybody else is doin it  
lie lie lie  
nothin really happened i'm sure of it  
cheat on your husband  
cheat on your wife  
smile at your brother while you pull out the knife  
look em all straight in the eye  
lie lie lie lie lie

lie lie lie  
lie lie lie  
lie lie lie  
lie lie lie
