Well I saw mumma in her night gown
She was jumpin' all around
Dancin' with old Santa Claus
The record kept a playin' and mumma kept a sayin'
Old Santa wasn't built for the cause
His tummy kept a shakin' and mumma kept a makin'
Jokes about the look in his eye
I'll make a little bet, I'll never forget
Mumma dancing with Santa that night

It was Christmas night and all was quiet
I was in my bed asleep
And something woke me from the other room
So I thought I'd better take a little peek

So I tiptoed to the key hole
Took a little look inside
And the sight I saw out shocked me so
I nearly jumped outta my hide

It was Christmas night and all was quiet
And I was in my bed asleep
And something woke me from the other room
I thought I'd better take a little peek

Mumma keep on dancin', Santa keep on dancin',
Mumma keep on dancin', Santa keep on dancin'
