Touch me like I touch you  
Hold me like I hold you  
Kiss me like I kiss you  
One more time tonight

Please say you won't leave me  
Say you still need me  
Say you still love me  
One more time  
One more time tonight

I'll dance all night with you  
I'll do what you want me to  
I'll you my love is true  
One more time tonight

Touch me like I touch you  
Hold me like I hold you  
Kiss me like I kiss you  
One more time  
For all time  
Til the end of time  
For life
