I don't dance the Cucaracha  
I don't play the Moochachas  
I've never been to Mexico  
I've never had the chance to go  
Never met Speedy Gonzales  
I don't eat enchiladas  
I don't drink margaritas  
But I love the senioritis

I've seen 'em on the TV shows  
Hair of brown and the way it flows when they let it down  
Cherry lips that you just wanna kiss  
It drives me wild when they look like this

I love the way they dance all night  
Sway their hip's wrap me round their finger tips  
Tight red dress real knocks me out  
You know boy's what I'm talking about
