Could this be the time to settle down  
I don't know and I can't tell  
I don't need all the answers  
I may just need to settle down

Could it sneak right up behind you?  
And tap you on the shoulder  
It could stand right there beside you  
And you might never know  
This could be my great adventure  
Might be my greatest fall  
Might be nothing short of amazing  
Could be nothing much at all  
It could be nothing much at all

Does someone come and tell you?  
Does someone make a call?  
Will they write it in a letter?  
Will they write it on a wall?

This could be my great adventure  
Might be my greatest fall  
Might be nothing short of amazing  
Could be nothing much at all  
Hmm could be nothing much at all  
Yeah could be nothing much at all

If you'll have me to settle down
