as hard as I've been workin i just can't get a hit
if i could find some luck and change my game around
i could buy you a house and fill it up with things
if i could earn enough i'd get down on one knee

and she said
I don't need 2 tickets to paris
I don't need a 3 caret ring
a horse drawn carriage, champagne in the spring
all I need is you to run to
come home to, wake up to
when I fall asleep with you right next to me
that's everything

i watched both my parents down on struggle street
gettin by on a shoestring and a prayer
30 years of livin on love is all you need
daddy never built a castle
mama felt just like a queen

and she said
I don't need 2 tickets to paris
I don't need a 3 caret ring
a horse drawn carraige, champagne in the spring
all I need is you to run to
come home to, wake up to
when I fall asleep with you right next to me
that's everything

I don't need 2 tickets to paris
I don't need a 3 caret ring
a horse drawn carraige, champagne in the spring
all I need is you to run to
come home to, wake up to
when I fall asleep with you right next to me
come on baby
when I fall asleep with you right next to me
that's everything
oh that's everything
you're everything
you're my everything

and that's everything
