Today were banning tan lines  
From your shoulders  
to your behind  
A little peaky boo time  
Down by the seaside  
We'll be jalapeno hot  
soaking up the rays  
Smack dab in the middle of  
a run around play day

The sun is shining  
The sky is crystal blue  
Grab the coconut butter  
let me rub it all over you  
Let the Cuervo flow and the  
Hoochie koochie rhythm  
Get you rockin' at the shark cafe  
There's a worm in the bottle and

the worn ain't getting away

A-ah, give me the phone

We're calling all girl friends  
Let's get the party jumpin'  
Turn on the water hose  
you know how the rest goes  
It's a full blown get it on  
all you can drink  
Good time salt and lime  
shake your booty buffet

There's a worm in the bottle...  
There's a worm in the bottle...  
That slippery little sucker  
better be afraid...
