hat A Life

On the higher side of 30 goin' on his second wife  
They got 4 kids in between 'em livin down by the  
riverside

Oh what a life

He don't get no paid vacations

But the weekends get him right

He puts the boat out on the lake every Sunday

Till the sun goes down at night

Oh what a life

Oh what a life

Oh what a life

He makes no demands

And there's no need to apologise

It's hard to worry about rain when you're walkin' on the  
sunnyside

You're either doin' what you have to

Or you're doin' what you like

You're either doin' what you have to or doin' what you  
like

Oh what a life

Well he sets up in the corner

With an old Fender guitar

And he plays 9 till 2 for 50 bucks and tips in a jar

Oh what a life

Singing songs he wrote or that he halfway knows

Every Friday and Saturday night he's the star of his  
own show

Oh what a life

On the higher side of 30 goin' on his second wife  
They got 4 kids in between 'em livin down by the  
riverside

He puts the boat out on the lake every Sunday

Till the sun goes down at night

Oh what a life

Yes it is

Oh what a life
