I didn't sleep at all.
All i did was toss & turn & think.
And i, Really need some sleep.
I cant even eat, your the reason.
Your taste, lingers on my lips.
I cant believe we kissed.
Was unforgettable.

CHORUS:

I dont know much, about love, ive never felt this way
before.
I want to call ya, tell ya, yesterday was beautiful.

And im, afraid to call you on the phone.
Tell you how i feel.
What if i was wrong.
Mistakes, wouldnt be my first.
And i dont wanna fall to hard, it hurts.

Chorus....

I dont know much, about love, ive never felt this way
before.
I want to call ya, tell ya, yesterday was
