You took me by surprise,  
I didn't see you coming,  
One look into your eyes,  
I see what we're becoming.  
Beautiful, it don't make sense,  
Wasn't looking turned around,  
There it was and here it is.

Completely, hopelessly,  
In love with what you do to me.  
I dreamed and you came true,  
I cant believe im holding you,  
You're everything that loves supposed to do.

I never thought one day,  
It couldn't make me feel forever,  
Been holding you this way,  
Mmmmm we belong together.

Comfortable, a perfect fit,  
I dont know how it happened,  
But I thank god it did.

Completely, hopelessly,  
In love with what you do to me,  
And I dreamed and you came true,  
I cant believe I'm holding you,  
You're everything that love's supposed to do.

Suddenly, finally,  
You make me so much better than the man I used to  
be.

Completely, hopelessly,  
In love with what you do to me,  
I dreamed and you came true,  
I cant believe I'm holding you,  
You're everything that love,  
You're everything that love's supposed to do.  
I dreamed baby,  
And you came true,

Ohhh.
