[Shade Sheist]

Yeah bitch

Where go the blaze at?

That's right, yeah

Ride with me, yeah

Walk a block with me

On the heist with me

Represent with me

Yo, ride with me

Walk a block with me

On the heist, with my heist with me

Represent, yo

[Nate Dogg]

When I wake up in the morning, when I get up out of my bed

At all times I remain a hustler, at all times I be chasing my bread

Since this one's for my people, I'ma make sure you heard what I said

Daddy say speak loud and clearly, daddy say aim for the head

I think we all too cool to lose it, I say we all stay leveled instead

I say still we tame the hookers, I know we still eluding them feds

We make this one for the negroes, and for the caucasians who care

They say they treat us like we equal

I say they treat us like we just don't care

[Chorus]

When I wake up in the morning

When I get up out my bed

I will always be a hustler

I will always chase my bread

Since this one's for my people

I'ma make sure you hear what I said

I'm gon' speak so loud and clearly

I'm gon' aim straight for yo head

[Shade Sheist]

Yo, I wake up late but still got currency
Dreams, snooze button no I'm trying to sleep
I got bill and the ends ain't trying to meet
So I'm pressed for cash and I'm out of my league
Ya' see, times ain't the greatest and I ain't Ali
So my hours are 9 to 5 and my job's the street
I'm in a low position trying to hope these mission
Crenshaw when exposition feeling holiday wishin'
And the block West stat and the spot we sure have
Rallies on Manchester, Inglewood on Saturdays turn to
night
Shade always been the type to show love to those
whom always doin' right

[Chorus]

When I wake up in the morning
When I get up out my bed
I will always be a hustler
I will always chase my bread
Since this one's for my people
I'ma make sure you hear what I said
I'm gon' speak so loud and clearly
I'm gon' aim straight for yo head

[Shade Sheist]

Yo, it don't matter where you from
Not knowing not where you been
Can't go to sleep a child expect to wake a man
Yo, life is a lesson niggas who don't study
End up failing test and blame it on me
But see Sheist only gets what he claiming to be
A real quiet motherfucker with his heart in the streets
Hot in these beats, flow sell a lot in a week
So even Billboard couldn't drop my highest of peaks
I'm with the breaks so you knowin' what they saying to
me
I'm impressed how many people end up hating on me
Like a disease Shade hittin' wit' a new vaccine
I leave em' comatose falling asleep

[Chorus]

When I wake up in the moring
When I get up out my bed
I will always be a hustler
I will always chase my bread
Since this one's for my people
I'ma make sure you hear what I said
I'm gon' speak so loud and clearly
I'm gon' aim straight for yo head
