Apples dipped in candy  
Sweet potato eye  
One is for your belly  
The other's for your mind

Day off on Sunday  
When the rent is not behind  
Well, that's the way it goes

Day's in Mississippi  
Movin' mighty slow  
Like that old blackbird  
Standing by the road

Able wind at times get rough  
To just pick up and go  
Further on down the line

Hey rich man, poor man  
Beggar or thief  
First one gets you down the road

Next one gets you grief

Last one gets you night and days  
Of cotton pickin' peas  
On the Captain's farm

Apples dipped in candy  
Sweet potato eye  
One is for your belly  
The other's for your mind

Day off on Sunday  
When the rent is not behind  
Well, that's the way it goes

Apples dipped in candy  
Sweet potato eye  
That's the way it goes  
Sweet potato eye  
My love
