Blues, please set me free  
Say goodnight and let me sleep  
All I ever wanted  
Was someone I could depend on

Blues, don't listen to me  
We are not in harmony  
Let me dream away my need  
Tomorrow maybe, there will be a

Blue sky  
Shining through my window  
A blue sky  
Shining through my window  
How good the life will be?  
Blue sky shining  
Oh, how sweetened  
Life would be for me?

Blue sky  
Shining through my window  
Blue sky  
Shining through my window

How good the life will be?  
Blue sky shining  
Oh, how sweetened  
Life will be for me
