Between the lunch and dinner rush  
Kelly caught that out bound bus for Vegas.  
And we're all out here talkin trash, makin bets,  
Lips wrapped round our cigarettes.  
She always thought she was too good to be a waitress.

We all say that we'll quit someday  
When our ship comes in we'll just sail away.  
But we're just blowin smoke.  
Hey-yea  
We're just blowin smoke.  
Hey-yea  
Out here goin broke.  
Hey-yea  
Yea we're just blowin...  
Smoke.

Well Janie got divorced again  
Her ex-husband's in the Pen  
With 2 to 5 or 5 to 10  
Or longer, yea  
And Brenda's tradin smokes for cake  
Still hadn't lost that baby weight  
And that baby's bout to graduate  
From college...

I just flick an ash into the tray  
And tell em both it'll be okay  
But I'm just blowin smoke.  
Hey-yea  
I'm just blowin smoke.  
Hey-yea  
I'm out here goin broke.  
Hey-yea  
Yea we're just blowin...  
Smoke.

We all say that we'll quit someday  
When our nerves ain't shot  
And our hands don't shake.  
Yea, We all say that we'll quit someday

When our nerves ain't shot  
And our hands don't shake

Wipe down the bar,  
Take out the trash,  
Light one up,  
And count my cash.  
Swear I'm never comin back again.

I'm just blowin smoke.  
Hey-yea  
I'm just blowin smoke.  
Hey-yea  
Out here goin broke.  
Hey-yea  
Yea we're just blowin...  
Smoke.
