Woke up on the wrong side of rock bottom  
You're all out of pennies and the well had done run dry  
You'd light up and smoke 'em if you had 'em  
But you just ain't got 'em  
Yeah, ain't we always looking for a bluer sky?

If you're ever gonna find a silver lining  
It's gotta be a cloudy day  
It's gotta be a cloudy day  
If you wanna fill your bottle up with lightning  
You're gonna have to stand in the rain  
You're gonna have to stand in the rain

Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo

If lemonade keeps turning into lemons  
And you wear your heart on a ripped unraveled sleeve  
Been run through the wringer  
And pushed on to your limit  
You say you're just unlucky but luck ain't what you need

'Cause if you're ever gonna find a four leaf clover  
You gotta get a little dirt on your hands  
You gotta get a little dirt on your hands  
And if you wanna find a head that fits your shoulder  
You're gonna have to go to the dance  
You're gonna have to go to the dance

If you wanna find the honey  
You can't be scared of the bees  
And if you wanna see the forest  
You're gonna have to look past the trees

Cause if you're ever gonna find a silver lining  
It's gotta be a cloudy day  
It's gotta be a cloudy day  
If you wanna fill your bottle up with lightning  
You're gonna have to stand in the rain  
You're gonna have to stand in the rain

Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo, yea

Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo hoo hoooo  
Hoo, hoo, hoo
