I still hear your voice when you sleep next to me i still  
feel your touch in my dreams forgive me my weakness  
but i dont know why without you its hard to survive.

Cuz' everytime we touch i get this feeling and  
everytime we kiss i swear i can fly, cant you feel my  
heart beat fast? I want this to last! I need you by my  
side.

Cuz' everytime we touch i feel the static and everytime  
we kiss i reach for the sky, cant you feel my heart beat  
so? I cant let you go, I want you in my life.

Your arms are my castle, your heart is my sky they wipe  
away tears that I cry the good and the bad times we've  
been through than more you make me rise when i fall.

Cuz' everytime we touch I get this feeling and  
everytime we kiss i swear i can fly, cant you feel my  
heart beat fast? I want this to last! I need you by my  
side.

Cuz' everytime we touch i feel the static and everytime  
we kiss i reach for the sky, cant you hear my heart beat  
so? I cant let you go! I want you in my life.

everytime we touch i get this feeling and everytime we  
we kiss i swear i can fly, cant you feel my heart beat  
fast i want this to last! need you by my side.

Cuz' evertime we touch i feel the static and everytime  
we kiss i reach for the sky, cant you feel my heart beat  
so? i cant let you go! i want you in my life.
