"I Hate Everything About You"

Everytime we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet
Every roommate kept awake
By every silent scream we make
All the feelings that I get
But I still don't missed you yet
Only when I stop to think about it

I hate everything about you
Why do I love you
I hate everything about you
Why do I love you

Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet
Only when I stop to think about it

I hate everything about you
Why do I love you
I hate everything about you
Why do I love you

Only when I stop to think about you
I know
Only when you stop to think about me
Do you know

I hate everything about you
Why do I love you
You hate everything about me
Why do you love me

I hate
You hate
I hate
You love me

I hate everything about you

Why do I love you
