I think Iâ€™m crazy
I think Iâ€™m going out of my mind
You call me crazy
I thought I saw you touching my guy
Are you crazy?
Maybe I should take you outside
And show you crazy

Ooh, I got your crazy

A little hazy
Maybe Iâ€™m just losing my mind
I think youâ€™re shady
I know that youâ€™ve been calling my guy
Are you crazy?
Now Iâ€™m gonna take you outside
And show you crazy

Ooh, I got your crazy

Call my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up, and Iâ€™m a f--k you up
Touch my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up
And then you call me your best friend
And then you call me your best friend

Call me crazy
Every time that I turn around
Youâ€™re on my baby
Ooh, but Iâ€™m his lady
Am I possessive?
Just because Iâ€™m claiming whatâ€™s mine
Youâ€™re crossing the line
Why are you constantly calling him up
To pick him up, let me know now
You call me your best friend

Then turn around and secretly text him
You call me crazy, ooh I got your crazy

Call my man again and Iâ€™m a f--k you up

And Iâ€™m a f--k you up, and Iâ€™m a f--k you up
Touch my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up
And then you call me your best friend
And then you call me your best friend

They call me crazy, they say Iâ€™m crazy
I know you are but what am I?
I know you are but what am I?
They call me crazy, I think Iâ€™m crazy
I know you are but what am I?
Ooh, I got your crazy

Call my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up, and Iâ€™m a f--k you up
Touch my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up, ooh I got your crazy
Call my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up, and Iâ€™m a f--k you up
Touch my man again and Iâ€™m a f--k you up
And Iâ€™m a f--k you up
And then you call me your best friend
And then you call me your best friend
