Will I close my eyes?
Will I hold my breath?
Will I wanna cry?
Will our souls connect?
I've been thinkin about when I go to bed.
At night I wonder, wonder...
Will you hand my hand?
Will you speak of love?
Will the stars be shining in the sky above?
Will it be all that I've been dreamin of for so long?
Holdin on.....

Our first kiss won't be the last,
Our loves to deep to end that fast.
And good things come to those who have wait.
I believe its only time that keeps us from the thing
devine.
And when its here you know I'm gonna say...
"Lay it on my lips."

Will it taste like candy?
Will it be that sweet?
Will our hearts be racin' to a heavenly beat?
Will the moment sweep me off my feet and draw me
under[under]?
Will I tremble [tremble] when I beg for more?
Will it be like anything I've never felt before?
Will we be down for a little more?
One thing i know for sure....

Our first kiss won't be the last,
Our loves to deep to end that fast.

And good things come to those who have wait.
I believe its only time that keeps us from the thing
devine.
And when its here you know I'm gonna say...
"Lay it on my lips."

Our first kiss won't be the last,
Our loves to deep to end that fast.
And good things come to those who have wait.

I believe its only time that keeps us from the thing
devine.

And when its here you know I'm gonna say...

I can picture it all inside my head
Just how it gonning to be.
But a girl can only dream so much,
Now she wants to make it real [make it real]

Our first kiss won't be the last,
Our loves to deep to end that fast.
And good things come to those who have wait. [wait for
me]

I believe its only time that keeps us from the thing
devine.

And when its here you know I'm gonna say...

Repeat 4x
