To love again, to love again
To love again, to love again
To love again

Drowning in tears, that won't be me
I will soon be, free from the chains of all this pain
inside
And though I cry it won't be long
Till I regain my strength to know I can go on

I will find my way through the heartbreak
I will not give up on love, I believe

I will learn to love again, I will learn to trust
Once this heart can start to mend
I will learn to, learn to love again

All of these tears, time will dry them
I will survive them, and make it through into another
day
All of this pain, time will heal it
There'll be a time sometime I know I won't feel it

I will live through life without you
After the hurting is done, I believe

I will learn to love again, I will learn to trust
Once this heart can start to mend
I will learn to, learn to love again

And I will find someone who deserves my touch
After all the hurt is through, I will be so over you
I will not give up on love, I believe, yeah

I will learn to love again, I will learn to trust
Once this heart can start to mend
I will learn, to love again, I will love again
(To love again)
