Kiss me, oh yeah

Baby, I can't take myself away from you, you
It's absolutely, positively what you do, do
So drive me outta my mind
Before you lead me, one kiss at a time

Come on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I want

Kiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I want
(I want you)

My heart is so impatient when I'm here alone, oh
I need more of you so, baby, hurry home, hurry home
I can't wait for your touch
It moves me, shakes me, gives me such a rush

Come on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I want

Kiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I want

Baby, baby, kiss me crazy
Baby, baby, kiss me crazy
Baby, baby, kiss me

You know you drive me outta my mind
So do it to me, one kiss at a time
Come on, come on

Come on, baby, kiss me crazy

Tell me that you miss me, baby
You know what I've got
Give me what I want

Kiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I want

Come on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I want

Kiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I want

Come on, baby, kiss me crazy
Come on, baby, kiss me crazy
Come on, baby, kiss me crazy

Crazy
