Ohhh I got your crazy  
I'm going out of my mind

I think I'm crazy  
I think I'm going out of my mind  
You call me crazy  
I thought I saw you touching my guy  
Are you crazy?  
Maybe I should take you outside  
And show you crazy  
Ohhh I got your crazy

A little hazy  
Maybe I'm just losing my mind  
I think your shady  
I know that you've been calling my guy  
Are you crazy?  
Now I'm gonna take you outside  
And show you crazy  
Ohhh I got your crazy

Call my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up, and imma \*\*\*\* you up  
Touch my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up  
And then you call me your best friend, and then you  
call me your best friend

Call me crazy  
Everytime that I turn around  
You want my baby  
Ohhh but I'm his lady  
Am I possessive?  
Just because I'm claiming what's mine  
Your crossing the line

Why are you constantly calling him up  
To pick you up  
Let me know now

How can you call me your best friend  
Then turn around and secretly text him

You call me crazy  
Ohhh I got your crazy

Call my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up, and imma \*\*\*\* you up  
Touch my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up

Call my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up, and imma \*\*\*\* you up  
Touch my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up  
And then you call me your best friend, and then you  
call me your best friend

They calling me crazy  
They say I'm crazy  
They call me crazy  
They think I'm crazy  
Ohhh I got your crazy

Call my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up, and imma \*\*\*\* you up  
Touch my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up  
Ohhh I got your crazy

Call my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up, and imma \*\*\*\* you up  
Touch my man again and imma \*\*\*\* you up, and imma  
\*\*\*\* you up  
Ohhh I got your crazy
