(To love again x 5)

Drowning in tears that wont be me
I will soon be free from the chains of all this pain inside
And though I cry it wont be long till I regain the strength
to know
I can go on
I will find my way through the heart break I will not give
up on love
I believe...

[Chorus]

I will learn to love again I will learn to trust
Once this heart can start to mend
I will learn to
Learn to love again

All of these tears time will dry them I will survive them
And make it through into another day all of this pain
Time will heal it there'll be a time sometime I know
I won't feel it
I will live through life without you after the hurting is
gone
I believe

[Chorus]

I will learn to love again I will learn to trust
Once this heart can start to mend
I will learn to
Learn to love again

I will find someone who deserves my touch after all the
hurt is through
I will be so over you I will not give up on love
I believe, yeah..

[Chorus]

I will learn to love again I will learn to trust
Once this heart can start to mend
I will learn to love again

Oh yeah yeah oh oh again
