Whoa! whoa!

I see you on the street
My broken heart still skips a beat
I hear your name
Inside I go insane baby

Each day that we don't touch
Is one more day it hurts too much
I can't forget the love that we made but

there'll come the moment that we're gonna meet again
Baby it won't even bother me
I'm trying to make it to the day you'll be just an old
boyfriend
Won't be thinking of you every night.....Once
More
Won't be wishing that we could only try.....Once
More
Won't tear me up inside
Just an old boyfriend!

Oh..No..No..Oh!

Anyone can see the love we killed. Is killing me
I'm just so sad to lose what we had
Oh yeah.
And there's no doubt that I should be okay by now
But. I'm not there yet..
It hurts me so bad!but

there'll come the moment that we're gonna meet again
Baby you won't even bother me
I'm trying to make it to the day you'll be just an old
boyfriend
Won't be thinking of you every night.....Once More
Won't be wishing that we could only try.....Once More
Won't tear me up inside
Just an old boyfriend..

Nothing more and nothing less

No more living with regrets
Your memory won't get the best of me.. (The best of
me)
Ur gonna seeâ€¦;

there'll come the moment that we're gonna meet again
Baby it won't even bother me
I'm trying to make it to the day you'll be just an old
boyfriend
Won't be thinking of you every night.....Once More
Won't be wishing that we could only try
Won't tear me up inside...
Just an old boyfriend..

there'll come the moment that we're gonna meet again
Baby it won't even bother me (Bother me)
(No..Ho) I'm trying to make it to the day you'll be just an
old boyfriend
Won't be thinking of you every night.....Once More
Won't be wishing that we could only try.....Once More
Won't tear me up inside
Just an old boyfriendâ€¦.

Just an old boyfriend

Oh..No
No..No..No
Just an old boyfriend (Hush Oh..Oh. no)
there'll come the moment that we're gonna meet again

Oh why can't you beâ€¦?!

(Just an old boyfriend)

Won't be thinking of you every night
Won't be wishing that we could only try
Oh why can't you be?
Just an old boyfriend
