(kiss me) (oh yeah)
Baby I can't take myself away from you(you)
It's absolutely positively what you do(do)
So drive me outta my mind
Before you lead me one kiss at a time

Come on baby kiss me crazy
Tell me that you miss me baby
You know what I got
Give me what I want
Kiss me crazy come on baby
Only your two lips can save me
You know what I got
Give me what I want
(I want you)
(yeah come on)

My heart is so impatient when I'm here alone(oooooo)
I need more of you so baby hurry home(hurry home)
I can't wait for your touch
It moves me, shakes me, gives me such a rush

Come on baby kiss me crazy
Tell me that you miss me baby
You know what I got
Give me what I want(i want)
Kiss me crazy come on baby
Only your two lips can save me
You know what I got
Give me what I want
(come on kiss me)

Baby, baby kiss me crazy
Baby, baby kiss me crazy
Baby, baby kiss me

you know you drive me out of my mind(do you?)
so do it to me one kiss at a time(at a time)

Come on baby kiss me crazy
Tell me that you miss me baby

You know what I've got
Give me what I want
Kiss me crazy come on baby
Only your two lips can save me
You know what I've got
Give me what I want
x2

come on baby kiss me crazy
come on baby kiss me crazy
come on baby kiss me
CRAZY!!!
