I'm in 3D

I'm in 3D

Eyes I guess that they're starting to wander  
Are you looking at another  
Probably thinking that I'm not enough are you boy  
I'm feeling kinda ignored  
Maybe you're looking for more  
I thought you wanted this girl next door

Some girls got the naughty  
Some girls got the money  
Some girls got the body  
That makes you double take  
With me you don't expect what you got coming next  
A lesson in respect cuz baby I'm the best so

Watch me jump right out of your dreams  
And into your screen  
Watch me pop out from magazines  
And into 3D

Boy you thought it was over for certain  
You thought I was closing the curtain  
You didn't know there was an act 1 scene 2  
So you didn't know I had a stash  
Pulling tricks out of my bag  
Surprise I'm the best you'll ever have

Some girls got the naughty  
Some girls got the money  
Some girls got the body  
That makes you double take  
With me you don't expect what you got coming next  
A lesson in respect cuz baby I'm the best so

Watch me jump right out of your dreams  
And into your screen  
Watch me pop out from magazines  
And into 3D

I see you looking at me sneak a peek and baby its  
yours  
Ooh this is easy  
All that she wants and so much more  
So watch me, watch me, watch me put on a show

Baby you see  
I'm in 3D  
Put it on me  
Put it on me

Baby you see  
I'm in 3D  
Put it on me  
Put it on me

I'm in 3D  
Put it on me

Watch me jump right out of your dreams  
And into your screen  
Watch me pop out from magazines  
And into 3D

I see you looking at me sneak a peek and baby its  
yours  
Ooh this is easy  
All that she wants and so much more  
So watch me, watch me, watch me put on a show

I got it all babe
