For being everything
You always are
For being there like no one else
You know my heart
Do you realize what you've done
For me
You made me see that love is worth
Believing in

Chorus

I want to thank you for being
The one thing I can count on in my life
For always giving more than you have to give
I love you for everything you do
I just want to thank you

I want to give you all you've given me
From the sweetest gifts down to the little things
Anything you need, everything I am
I'll be loving you until forever and...
I want to thank you for being
The one thing I can count on
In my life
For always giving more than you
Have to give
I love you for everything you do
I just want to thank you

From sunrise, to sunset
You know , I'll do my best
To say thank you
Thank you
I want to thank you for being
The one thing I can count
On in my life
For always giving more
Than you have to give
I love you for everything you do
I just want to thank you
