Oh

Flipside

Got my pick of all the guys in town,  
But, the one I want doesn't care that I'm around.  
Every other guy falls in love with me,  
It's so crazy.(Crazy)  
This one guy won't stop stalking me,  
One guy wants my Sympathy (go away),  
feels like I'm on reality t.v,  
All eyes on me.

Those freakin' freaks are frickin' trying to freak me,  
Freakin' geeks who freakn dying to meet me.  
Dum da da da dum da da  
What's a girl (What's a girl to do).  
Oh, this one says he'll make it last forever,  
I roll my eyes at him and say whatever.  
Blah blah blah blah blah blah blah.  
All I want is you.

Go 'head and shake it, shake it,  
Go 'head and drop it girl.  
The way you bring it, bring it,  
You just can't stop it girl.  
Go 'head and swing it, swing it,  
You know just what you doin'.  
Flipside.

You can call in the middle of the night,  
We can do whatever you'd like.  
But you're like I'm all down with her. (Her, why her?)  
What's your problem here I am,  
Can't you take me like a man.  
Don't be hatin' and dissin' on me,  
You're so shady

Those freakin' freaks are frickin' trying to freak me,  
Freakin' geeks who freakn dying to meet me.  
Dum da da da dum da da  
What's a girl (What's a girl to do).

Oh, this one says he'll make it last forever,  
I roll my eyes at him and say whatever.  
Blah blah blah blah blah blah blah.  
All I want is you.

Now you know I know I don't need no problems,  
Girl you only 17 and can't get no hotter.  
When's your birthday young enough to call me daddy,  
On the streets of West Oakland in the back of my  
caddie.  
Bad girls they ready to ride, wearin pearls, get ready  
world,  
Cuz Kaci Brown's ready to fly.  
Flipside, of the story is and camera sessions starring  
The Piper and his young chick flexin' in Texas.

Those freakin' freaks are frickin' trying to freak me,  
Freakin' geeks who freakn dying to meet me.  
Dum da da da dum da da  
What's a girl (What's a girl to do).  
Oh, this one says he'll make it last forever,
