The touch- The rush....oh
The touch- The rush....oh
The touch- The rush....oh

You turn around and make me wanna
Make you think I'm in to you
An easy catch - the perfect guy with
Perfect lines - it's nothing new
I guess I'll let you have a little taste cause I
Have nothing here to lose
And if nothing's better than this then I guess
That's better than nothing
What cha think I'll do?

The more you play hard to get
The more i think I could get in to you
The way you dance and walk away
I can't believe you're getting me confused!

You make me feel so...
You make - you make - you make
You make me feel so...
Let's go - you know - take it slow - uh uh

You say don't worry baby I've got it
All under control, and I'm like...
Yeah right you Casanova I'm gonna
Waltz right over you
You play your petty games and I have
To admit it's sorta kinda cute
But it won't be enough to make me
Fall in love with a shallow guy like
You

You're so naive if you believe
I'd fall under your spell just cause
You snap
What's wrong with me could ya tell
Me please
How did you ever manage to do that?

You make me feel so...

You make - you make - you make
You make me feel so...
Let's go - you know - take it slow - uh uh

The touch- The rush....oh
The touch- The rush....oh
The touch- The rush....oh

You make me feel so...
You make - you make - you make
You make me feel so...
Let's go - you know - take it slow - uh uh
You make me feel so...
You make - you make - you make
You make me feel so...
Let's go - you know - take it slow - uh uh
