You can hear my pain  
Oppressed desire in groan  
You can feel my face  
Withering eyes in vain  
Forest of darkness will weep  
With trickles of curse you fear  
I am bleeding for mankind

Material Eden  
Enchanted with fortune in mine  
Making the gun for your ruin  
Hiding your rotten face  
No need to plead for your life  
You are dying in evil fate  
I am earthbound god of worm

You can't run from me  
The resurrection will come  
The gods revenge on you  
They are coming...

Remember, twilight in ancient past  
Holy places where gods breathe  
The desecration by humankind  
Results in the curse of deformed god

I can kill your love  
What is love and what is hate?  
I can take your life  
Dirty feelers wind you round  
Distorted body screaming  
Lake of life is filled with my blood  
I am the bloody heartless god

Return my head back  
I will seek and kill you all  
Over the mountain, over the sea  
The evil spirits in everywhere  
No need to plead for your life  
You are dying in the hopeless world  
I am earthbound god of worm
