You know a man could

Never truly understand

The beauty of a woman

Until he takes part

In making one

I love you Skye

(My sunshine

You're my life

You're my life

You are)

BRIDGE:

You are my reason

Girl I sing this song to you

I love everything about you

You are my reason

Girl I sing this song to you

I love every little thing

About you

Sitting here

Thinking 'bout you girl

And what you mean to me

And how long it
Took me to believe
How much you really
Change my life, oh yeah
In your eyes

I can see the sunshine

Girl I'm so happy

You're all mine

CHORUS:

You are the reason

My sun shines

Why everything

Seems just fine

Your daddy's

So proud of you

And all the

Little things you do

Sometimes I ask

My God why

He blessed me

With you Skye

Just know that

You were made from love

Give thanks above

Repeat chorus

I was walking around lost
For oh so long
Till little lady came my way
And it made me say
That I love you
Unconditional babe
'Cause now I'm whole
You're in my soul
All I do is think
About you baby
Repeat chorus
Repeat bridge
You're in my
Prayers every night
Asking God
To keep you, yeah
Safe in His arms
(Oh yeah)
It's all right
(Oh yeah)
Pretty little mama
Repeat bridge to fade
