[Case]

Uh, uh, uh, uh

That's right (oooo, yo, oooo, oh)

Life is funny, ain't it? (yeahh, oh yeah)

Sometimes you can end up with (c'mon Joe, c'mon,
ready)

Somebody you really don't wanna be with (no way,
babe)

And others left to figure it out (oh, sing it for me Case)

Check it

She was more than a woman, a goddess for all it
seems (is that right?)

And all I ever needed was her right here loving me

For a while we were cool and the grooving of love was
on

But I still remember how it felt when our love was gone

[1] - In a tattered picture book

Was a photograph she took years ago

Secret memories in her mind (secret memories in her
mind)

How could love be so unkind?

Heartbreak time

(My heart is breaking, Oh)

[2] - Faded pictures in a broken glass

Like a mirror revealing

What the woman is feeling

Was it someone from a distant past?

Cuz it's breaking my heart

So won't you stare into the glass

(Joe help me out)

[Joe]

As she turned through the pages, the tears roll down
her face

I could see her reminiscing why her life had to be this
way

Then she stopped as she came to a page where her
diary ends
To smell the scent of an old rose from her lover I
suppose

[Repeat 1]

[Repeat 2]

The pictures keep spinning
(Oh na, na, na, na, na, na)
As she stares into the glass, I'll be waiting
(Oh na, na, na, na, na, na)
Cuz she's lost inside the past

The pictures keep spinning, spinning, spinning,
spinning
(Oh na, na, na, na, na, na)
As she stares into the glass, I'll be waiting
(Oh na, na, na, na, na, na)
Cuz she's lost inside the past
Lost inside the past

[Repeat 2 until fade]
