That's right  
Life is funny, ain't it?  
Sometimes you can end up with  
Somebody you really don't wanna be with  
And others left to figure it out  
Check it

She was more than a woman, a goddess for all it  
seems  
And all I ever needed was her right here loving me  
For a while we were cool and the grooving of love was  
on  
But I still remember how it felt when our love was gone

In a tattered picture book  
Was a photograph she took years ago  
Secret memories in her mind  
How could love be so unkind?  
Heartbreak time  
My heart is breaking, oh

Just [Incomprehensible] in a broken glass  
Like a mirror revealing  
What the woman is feeling  
Was it someone from a distant past?  
'Cause it's breaking my heart  
So won't you stare into the glass

As she turned through the pages, the tears roll down  
her face  
I can see her reminiscing why her life had to be this  
way  
Then she stopped as she came to a page where her  
diary ends  
To smell the scent of an old rose from her lover I  
suppose

In a tattered picture book  
Was a photograph she took years ago  
Secret memories in her mind  
How could love be so unkind?  
Heartbreak time

Faded pictures in a broken glass  
Like a mirror revealing  
What the woman is feeling  
Was it someone from a distant past?  
'Cause it's breaking my heart  
So won't you stare into the glass

The pictures keep spinning  
As she stares into the glass, I'll be waiting  
'Cause she's lost inside the past  
The pictures keep spinning  
As she stares into the glass, I'll be waiting  
'Cause she's lost inside the past

Faded pictures in a broken glass  
Like a mirror revealing  
What the woman is feeling  
Was it someone from a distant past?  
'Cause it's breaking my heart  
So won't you stare into the glass
