*[CHORUS]*

I've been wondering, Trying to figure out.  
Why you still love him, He don't love you.  
Thinking all the times that you took him back.  
Always thinking of him, He don't love you.

*[VERSE 1]*

Baby, he don't want you.  
I be thinking of you.  
When I'm all alone, baby, babe.  
Whoa lady, You got me going crazy.  
The way he talk to you, the way he treat you.  
There ain't nothing he can do to keep you baby.

*[CHORUS]*

I've been wondering, Trying to figure out.  
Why you still love him, He don't love you.  
Thinking all the times that you took him back.  
Always thinking of him, He don't love you.

*[VERSE 2]*

He treated you so wrong and now you got to move on.

And baby I'm going to be there for you.  
Things I'm going to do for you.  
He's going to try and do it too.  
And he's going to do it to get to you.

*[CHORUS]*

I've been wondering, Trying to figure out.  
Why you still love him, He don't love you.  
Thinking all the times that you took him back.  
Always thinking of him, He don't love you.

*[BRIDGE]*

Sometimes we get all caught up in love.  
I, I, I don't want to between you and him

*[CHORUS]*

I've been wondering, Trying to figure out.  
Why you still love him, He don't love you.  
Thinking all the times that you took him back.

Always thinking of him, He don't love you.

*[REPEAT CHORUS UNTIL FADE]*
