Well, I could stay awake just to hear you breathin'
Watch you smile while you're sleepin' while you're far
away and dreamin'
Well, I could spend my life in this sweet surrender
Well, I could stay lost in this moment forever
Every moment spent with you is a moment I treasure

I don't want to close my eyes, I don't want to fall asleep
'Cause I'll miss you, babe and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do
I'd still miss you, babe and I don't want to miss a thing

Lying close to you, feeling your heart beatin'
And I'm wonderin' what you're dreamin', wonderin' if
it's me you're seein'
Then I kiss your eyes and thank God we're together
Well, I just want to stay with you in this moment forever

I don't want to close my eyes, I don't want to fall asleep
'Cause I'll miss you, babe and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do
I'd still miss you, babe and I don't want to miss a thing

Well, I don't want to miss one smile, I don't want to
miss one kiss
Well, I just want to be with you, right here with you just
like this
I just want to hold you close and feel your heart so
close to mine
Well, I just wanna stay lost in this moment for all the
rest of time

I don't want to close my eyes, I don't want to fall asleep
'Cause I'd miss you, babe and I don't want to miss a
thing

I'd still miss you, babe

I don't want to close my eyes, I don't want to fall asleep
'Cause I'd miss you, babe and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do
I'd still miss you, babe and I don't want to miss a thing
