"Lovely"

(Listen to me, I never told you this before, and I just thought I should tell you)

[Verse 1:]

Something on my mind, I need to get it through to you,
understand I'm so infatuated by you, you with me
would be so hot I can't explain, you so beautiful I only
wish I can know your name

[Chorus:]

You are, lovely (that's what I call you babe cause I don't
know your name) baby, lovely (seen you a million time,
you always on my mind) baby lovely (damn I wish we
can chill, but if we don't just still) to me, lovely (lovely
is what you are to me)

[Verse 2:]

I've been watching you so long, I can't believe your
real, only lately got the nerve up to let you know the
deal, after saying this in a letter better yet in a song,
you so beautiful won't you just put me on

[Chorus:]

You are, lovely (that's what I call you babe cause I don't
know your name baby) baby, lovely (seen you a million
time, you always on my mind) baby lovely (listen to
me) (damn I wish we can chill, but if we don't just still) to
me, lovely (lovely is what you are to me)

[Verse 3:]

Wishing you can see (that I need loving like yours baby)
wishing you can be (the love that I can hold to every
