Standing here looking out my window
Nights are long and my days are cold
Cause I don't have you
How can I be so damn demanding?
I know you said that it's over now
But I can't let go

Every day I wanna pick up the phone
And tell you that
You're everything I need and more
If only I could find you

Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
Your the woman without a man
I'm a ring without a hand
I'm missing you

Driving 'round thought I saw you pass me
My rearview mirror's playing tricks on me
Cause you fade away
Maybe I'm just hallucinating
Cause my loneliness got the best of me
And my heart's so weak

Every day I wanna pick up the phone
And tell you that
You're everything I need and more
If only I could find you

Like a cold Summer afternoon
Like the snow coming down in June (Alright now)
Like a wedding without a groom
I'm missing you
I'm the desert without the sand (Oh yeah)
Your the woman without a man
I'm a ring without a hand
I'm missing you

Like a cold Summer afternoon
(Cold Summer day)
Like the snow coming down in June
Like a wedding without a groom
I'm missing you (Baby, Baby)
I'm the desert without the sand
Your the woman without a man
I'm a ring without a hand
I'm missing you (Said baby, I'm missing you)

Yeah, yeah, yeah, yeah[x4]
Said I'm, I'm missing you

Like a cold Summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you (Ooh I'm missing you)
I'm the desert without the sand (Yes I am)
Your the woman without a man
I'm a ring without a hand
I'm missing you

Like a cold Summer afternoon (Baby, yeah)
Like the snow coming down in June
Like a wedding without a groom (Ooh, yeah)
I'm missing you
I'm the desert without the sand
Your the woman without a man
I'm a ring without a hand
I'm missing you

Like a cold Summer afternoon (like a cold)
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
Your the woman without a man
(I can't sing no more)
I'm a ring without a hand
(I can't sing no more, baby)
I'm missing you

Yeah, yeah, yeah, yeah [to end]
