Been around the world, ladies come and go  
Still I told myself that you weren't one of those  
That's what I get for being polite  
I'm not upset or headed goodbye

Tried to love you, tried to please you  
Never made a difference I see  
(Shoulda known better)  
I feel so dumb, made you the one  
Never made a difference I see  
(Shoulda known better)

Such a perfect love or so I thought it was  
But you were loving you, girl, instead of loving us  
That's what I get for being polite  
I'm not upset

Girl, I can't believe how much I really loved you  
And you really don't believe how much I care  
So I guess I made a fool out of myself  
But believe me, it won't happen again

Tried to love you, tried to please you  
Never made a difference I see  
(Shoulda known better)  
I feel so dumb, made you the one  
Never made a difference I see  
(Shoulda known better)

Tried to love you, tried to please you  
Never made a difference I see  
(Shoulda known better)  
I feel so dumb, made you the one  
Never made a difference I see  
(Shoulda known better)

Girl, I can't believe how much I loved you  
And you really don't believe how much I care  
So I guess I made a fool out of myself  
But believe me, it won't happen again

(Shoulda known better)

Tried to love you, tried to please you  
Never made a difference I see  
(Shoulda known better)  
I feel so dumb, made you the one  
Never made a difference I see  
(Shoulda known better)

Tried to love you, tried to please you  
Never made a difference I see  
(Shoulda known better)  
I feel so dumb, made you the one  
Never made a difference I see  
(Shoulda known better)

Shoulda known better, shoulda known better  
Shoulda known better
