One day I woke up  
I woke up knowing  
Today is the day I will die

Cashdogg was barkin'  
Went to the park and  
Enjoyed it one last time

I called my mother  
Told her I loved her  
And I begged her not to cry

I wrote a letter  
That said I'd miss her  
And I signed that goodbye

You know the happiest day of my life  
I swear the happiest day of my life  
Is the day that I die

Can you feel the cold tonight?  
(The day that I die)  
It sets in but it's alright  
(The day that I die)  
Darkness falls I'm letting go  
(The day that I die)  
All alone but I feel fine

We took a drive and  
We drove through D.C.  
To see the places we lived

Long conversations  
We talked of old friends  
And all the things that we did

The summer nights, the drunken fights  
Mistakes were made  
Did we live it right?

You know the happiest day of my life  
I swear the happiest day of my life

Is the day that I die

Can you feel the cold tonight?

(The day that I die)

It sets in but its alright

(The day that I die)

Darkness falls I'm letting go

(The day that I die)

All alone but I feel just fine

You know the happiest day of my life

I know the happiest day of my life

I swear the happiest day of my life

Is the day that I die

Can you feel the cold tonight?

(The day that I die)

It sets in but it's alright

(The day that I die)

Darkness falls, I'm letting go

(The day that I die)

All alone but I feel just fine

Did I live it right?

I hope I lived it right

(The day that I die)

Did I live it right?

(The day that I die)

Did I live it right?

I hope I lived it right

(The day that I die)

I know I lived it right
