Sugar you do mmm mmm / my my baby
yeah ooou / Chorus: The more you play hard to get /
the
more you turn me on / The more you don't want to
mess
with me / the more I gotta get you home / Never had a
girl
I want make me wait so long / oh girl that shit turns me
on
/ Let me tell you about this girl that's got me out my
way /
Doing things I never do saying things I never say / she
be
actin' all sadiddy frontin' with her crew / try to speak
and
she be acting brand new / When all the time I know she
probably feeling me / she just don't want to come off
like
she too easy / and normally I wouldn't even take the
time /
but she blows my mind (Chorus) Oooh no games no
tricks
baby / tryin' to get to know you, wanna get close to you
/
cause every time our eyes meet something comes over
me
/ so stop playing I'm gonna make you mine / so let's not
waste our time (Chorus) she knows she can get it (turns
me
on) she try to front like she ain't with it (turns me on)
and she
wont admit it (turns me on she turns me on she turns
me on)
(Chorus) know that I want it babe
/ making me want you more now
/ said that I want you more now
