Where did our lovin' go, baby?
Tell me where did our love go wrong?
Tell me where did our love go?

Girl, you are frontin' on my lovin'
When I stop sexin' you, you start buggin'
Baby, nothing to lose, much more to gain
So sorry that this love had to end, you keep telling me

Tell me where did our love go wrong?
Tell me where did our love go?
Tell me where did our love go wrong?
Tell me where did our love go?

I'm still the man, girl, and I've your love
Sure that I had to say, bye, bye, love
But I ask questions while you're thinkin'
Hopin' and prayin' that I'll hit it again

So tell me why did you have to end it this way?
Why did it have to end this way?
Never thought it'd rain all that hard
Everyday, rainy day

But now I have to hold my own
I'm gonna stay strong, baby
'Cause I never know what went wrong
You keep telling me

Tell me where did our love go wrong?
Tell me where did our love go?
Tell me where did our love go wrong?
Tell me where did our love go?

Tell me where did our love go wrong?
Tell me where did our love go?
Tell me where did our love go wrong?
Tell me where did our love go?

Tell me where did our love go wrong?
Tell me where did our love go?

Tell me where did our love go wrong?
Tell me where did our love go?
Tell me where did our love go wrong?
Tell me where did our love go?

Tell me where did our love go wrong?
Tell me where did our love go?
Tell me where did our love go wrong?
