Can't face another morning,
Hiding behind this smile,
Praying that you would call me.
I try, but I can't forget you.
You're always under my skin.
I'm one more helpless victim
That keeps on giving in.

Nobody knows what I've been feeling.
Nobody knows what's inside my head.
Had everyone I know believing
Everything I have said.
I couldn't tell them I was lying,
And even though inside I'm dying,
Nobody knows.
Nobody knows but me.

I know I'm acting crazy.
Why can't I just move on?
I don't like the way I'm feeling.
Made you the center of my world.
Left it all up to fate.
I wonder how many others
Have made the same mistake.

Nobody knows what I've been feeling.
Nobody knows what's inside my head.
Had everyone I know believing
Everything I have said.
I couldn't tell them I was lying,

And even though inside I'm dying,
Nobody knows.
Nobody knows but me.

Keep hiding from reality.
Won't somebody help me?

Nobody knows what I've been feeling.
Nobody knows what's inside my head.
Had everyone I know believing
Everything I have said.

I couldn't tell them I was lying,
And even though inside I'm dying,
Nobody knows.
Nobody knows but me.

Nobody knows what I've been feeling.
Nobody knows what's inside my head.
Had everyone I know believing
Everything I have said.
I couldn't tell them I was lying,
And even though inside I'm dying,
Nobody knows.
Nobody knows but me.

Mmmm.
Nobody knows.

Nobody knows.
I can't face another morning.

Nobody knows
No, no nobody knows.

Ooh.
