Like paper that's torn up and tossed to the wind.  
Like velvet that's worn out and wearing too thin.  
I've tried but I can't explain who I am

Like words in a bottle that drift out to sea  
Never to be spoken between you and me.  
I'm locked up and lonely,  
Is this where you want me to be?

Cause you're making me feel so uncomfortable in my  
skin  
And I don't like this place that you put me in.  
Now I feel like the shadow the sun has forgotten.  
I feel unwanted.

I stare in the mirror and it's all too clear.  
I don't like the way that I look with these tears.

I'm ready and I think it's time that I face my fears.

Cause you're making me feel so uncomfortable in my  
skin  
And I don't like this place that you put me in.  
Now I feel like the shadow the sun has forgotten.  
Oh...

Unwanted.  
And I hate the way it feels to be unwanted.  
Unwanted.  
Let me show you how it feels to be unwanted.

Cause you're making me feel so uncomfortable in my  
skin  
And I don't like this place that you put me in.  
Now I feel like the shadow the sun has forgotten.  
I feel unwanted.
