I saw you at the grocery store.
Oh, you both looked happy.
Picking out the usual.
She's a carbon copy
Of everything you lost,
Of everything I'm not.
I guess you just forgot
How to pick 'em.

If she's the one I've heard about,
I'm disappointed.
If she's the reason why you left,
I'm not impressed at all.
Well, this looks like the end.
Yeah, we can still be friends.
Congratulations.

Let me be the first
To wish you the worst.
'Cause I think you deserve each other.
Let me the curse
That creeps under your skin
Until your heart caves in
And you wish she was me again.

And again, and again, and again.

Well, someone had to tell the truth

And I'm always honest.
I read you like an open book
And it's obvious to me;
She's just the one between.
Heading no where fast.
Sure, it's gonna last forever.

Let me be the first
To wish you the worst.
'Cause I think you deserve each other.
Let me the curse
That creeps under your skin
Until your heart caves in

And you wish she was me.

Let me be the first
To wish you the worst.
'Cause I think you deserve each other.
Let me the curse
That creeps under your skin
Until your heart caves in
And you wish she was me again.

And again, and again, and again.

Oh, you wish, you wish
You wish, you do
