Hakanasa ni miserare utakata ni nagasare  
Urei no toki wa ima watashi wo tsutsunde

Me wo fusagi haruka omou togireta kioku hirogeta ude  
e

Awai yume wa sou imademo kokoro fukaku nemuru no

Hakanasa ni miserare utakata ni nagasare  
Urei no kaze wa ima sotto fukare

Konoha no odoru minamo ni haete yubi wo karamete  
kuchizuke kawasuu

Natsukashisa ni idakarete tobira ni te wo kakeru no

Hakanasa ni miseare utakatta ni nagasare  
Urei no toki wa ima watashi wo tsutsunde

Tada hohoemi ukabe shizuka ni iki wo tomete yakusoku  
no tochi e yurameku mama

Toiki ga mau kono kishitsu wa shiroi keshou hodokoshi  
watashi no naka tokete yuku  
Fukaku fukaku tokete tokarete

Hakanasa ni miserare utakata ni nagasare  
Urei no toki wa ima watashi wo tsutsunde

Shuuen wa yasashiku kono mi wo hikihanasu  
Urei no kaze wa ima watashi wo hakonde

Tada hohoemi ukabe shizuka ni iki wo tomete yakusoku
