Kirameki wa, hagoromo ni ibuki o ataeru, tsunagareta
akai ito kanaderu you ni
Mou ni do to, hanarenai sono se o dakiyose, eien ni
sono mama de anata to hitosu ni

Meguru sadame wa, yami no hazama de, kage o
hisomete toki o ukagau

Amagakeru hoshi ni, kono te o nobasu hodo ni, itoshii
nukumori, toonoite yuku

Kirameki wa, hagoromo ni ibuki o ataeru, tsunagareta
akai ito kanaderu you ni
Mou ni do to, hanarenai sono se o dakiyose, eien ni
sono mama de anata to hitosu ni

Horobu koto naku, hokoru uchuu yo, subete nomikomu,
kurai megami yo

Moshi mo kono negai, kanau no nara watashi o, ano
hito no moto e, michibiite

Kirameki wa, hagoromo ni ibuki o ataeru, tsunagareta
akai ito kanaderu you ni
Mou ni do to, hanarenai sono se o dakiyose, eien ni
sono mama de anata to hitosu ni

Ano kawa no, mukou ni wa itoshii anata ga, koboresou
na hohoemi de matteiru kara
Kono hoshi ni, nagasarete shimawanai you ni, eien ni
kono mama de anata to hitotsu ni
