Let's rock.
Ahh ahh.
You go.
Yes sir.

[baby]

Shawty i ain't trying to play this game tonight.
I'm feeling right so i'mma say what's on my mind.
Summer v.i. girl i kept your physical.
I'm tired of watching i had to come and let yah know.
When i was young boy i played with fire.
Now i'mma man just looking for the lighter.
These other fools need to leave and retire.
Cause i'mma match with yah.
Now burn it up girl.

Burn it up for me.
Burn it up for me.
Burn it up for me.
Burn it up for me.

Burn it up. [oh]
Go ahead burn it up for me.
Burn it up. [oh]
Go ahead work your stuff mami.
I wanna see you take that thing to the bottom. [bottom]
Lookin' round this crowd i can tell that yah got em.
And i ain't trynna cool down every time i feel your
touch.
I want you to burn it up.

Burn it up. [oh]
Go ahead burn it up for me.
Burn it up. [oh]
Like the fire ride on me.

In the dark i need your light to lead the way.
Your body's force tellin' me that you feel the same.
Love i'm sweating and it's only a quarter to two.
Shawty i can take the heat pushin' this can you?
When i was young boy i played with fire.

Now i'mma man just looking for the lighter.
These other fools need to leave and retire.

Cause i'mma match with yah. [hey casely i gotcha
homie]
Now let me see yah burn.

David rush:
It's gettin' in hot in here.
So take off all your clothes. [clothes]
And when her hips go stop i don't think nobody knows.
This girl's a hot tumuli the way she move her body.
Make a g wanna do her on this off pay like my favorite
hobby.
Girl you burn it up.
I like the fire so turn it up.
Give me it up till i get enough and i like it rough yeah.
Back to my crib we can go.
Up on the highway a hundred or more.
Layin' it down and you already know.
We do it like 1 2 3 4!

Burn it up for me.
Burn it up for me.
Burn it up for me.
Burn it up for me. [i just wanna see yah]

Burn it up. [oh]
Go ahead burn it up for me.
Burn it up. [oh]
Go ahead work your stuff mami.
I wanna see you take that thing to the bottom. [bottom]
Lookin' round this crowd i can tell that you got em.
And i ain't trynna cool down every time i feel your
touch.
I want you to burn it up!

Burn it up. [oh]
